

## Mission & Outreach Report Iraq 2018 | Randy Mayfield

Pastor Randy Mayfield, missionary Jamal, and Romondo Davis participated in a mission in Iraq from Dec. 3-12, 2018. The man on the left as you look at the photo, was the camp "chief " and key leader of the people in this Muslim refugee camp. The man on the right is his son and he shared quite a story with us of how he was shot and captured by ISIS in Mosul. Eleven of his buddies were killed and he was about to have his throat cut when the ISIS terrorist was shot by an Iraqi soldier. It was quite a story!
